 The Base Chakra

CHAKRA

BY *Kartim*

The Chakra chair focuses on the body's power centers. By specifically cushioning the chakras, and leaving the rest of the body free of tension, we've created an open zoomorphic structure that is light and airy and extremely comfortable. Chakra speaks directly to our animated connection to the inanimate world.

eurocolors

key features and innovations

- Open zoomorphic structure that is light and airy yet extremely comfortable
- 7 independent cushions mounted directly to frame on specially engineered rubber foundations support the user and move with their body movements
- Arm rests are joined directly to the frame and curved to offer ergonomically correct support. Specially designed arms pads are mounted on top for comfort
- Specially designed mechanism to match the chair's "frameless" design element.

adjustable arm rests
Height & width adjustable arm kit with push button height adjustment.

\$94 PU22
FOR MODEL #'S OSS400 AND RG33.

memory foam arm pads
\$83 MFPAD

A		tilt tension control Increase or decrease tilt tension depending on user's body-weight.	G		seat height adjustment Raise or lower so your feet rest flat on the floor. This will accommodate individuals of all different heights.	M		arm height adjustment Raise or lower so your forearms rest comfortably while typing at a computer and working at your desk.
B		center-tilt Chair tilts from a point under the center of the seat allowing you to rock. Tension adjustable.	H		waterfall seat Reduces pressure at the back of the knee allowing for good blood flow.	N		seat angle adjustment Seat angle will lock in any position from front to back.
C		knee-tilt Chair tilts from a point at the front of the seat keeping your feet on the floor as you rock. Tension adjustable.	I		forward seat tilt Allows chair to tilt forward changing the angle of your thighs in relation to the floor. Allows for full back support when working at a computer.	O		swivel arm Arm swivels left to right
D		tilt lock Lock in positions to accommodate your posture.	J		back height adjustment Raise or lower to support the lumbar (lower back) region.	P		arm depth adjustment Arm moves forward and backward.
E		back angle adjustment Adjust to change the angle of the back in relation to the seat. Will allow for multiple angles based on individual's size.	K		seat depth adjustment Change the depth of the seat to accommodate the length of your thighs. Keeps your back in contact with the backrest while avoiding pressure behind your knees.	Q		ratchet back height adjustment Easily raise back with upward ratchet to support the lumbar (lower back) region.
F		synchro-tilt Backrest and seat tilt in unison. Back tilts more than seat and is tension adjustable.	L		width adjustable arms Adjusts arms inward or outward to match an individual's shoulder span for maximum comfort.			

24-Hour Quick Ship Policy

In today's high-stakes marketplace driven by state-of-the-art technology, seating solutions must be available quickly and reliably.

Eurotech guarantees to stay ahead of your needs by maintaining an inventory of over 25,000 chairs.

We ship orders within 24 business hours providing:

- Customer is cleared for credit approval.
- Orders are received during normal business hours of 9 a.m. - 5 p.m. EST Monday - Friday, excluding holidays.
- Chairs are in stock at time of order.

Non-shipment due to acts of God are not covered under this guarantee.

All chairs in the 24 hour quick ship program can be shipped via UPS. Please note that although our shipment methods include UPS, your order will be shipped via the best determined method based on time and quantity.

limited lifetime warranty

- Eurotech assures total customer satisfaction.
- Eurotech warrants to the original purchaser all components for the life of the product with the exception of upholstery and foam, which will be warranted for five years.
- Eurotech warrants to the original purchaser with proof of purchase that all parts will be free from material defects. Eurotech will repair or replace, at its option, any unaltered components.
- Customer's own material is not warranted.
- Warranty is limited to normal usage, not exceeding forty hours per week and 250 lb. weight unless otherwise noted.
- The warranty is limited to replacement or repair and does not cover cost of transportation and labor.
- There are no other warranties expressed or implied other than those specifically described.
- Eurotech shall not be liable for consequential or incidental damages arising from any product defect.

All Eurotech chairs meet or exceed ANSI-BIFMA standards

All Eurotech products have been certified by GREENGUARD as meeting the Indoor Air Quality pollutant guidelines and standards. The GREENGUARD Environmental Institute is an industry-independent, non-profit organization that oversees the GREENGUARD Certification Program (SM), which certifies indoor products based on strict chemical emissions criteria. Products are tested and verified to meet the stringent GREENGUARD Indoor Air Quality Certified. GREENGUARD Certification provides third-party assurance that products have been tested for potentially harmful chemical emissions, and found to meet allowable levels established by recognized public health authorities.
