GHENT GUARANTEES THE PERFORMANCE OF EVERY PRODUCT!

Our Ghent guarantee means that you can trust the quality and performance of Ghent products for years to come. Most Ghent products are guaranteed for ten years. Porcelain-on-Steel products carry a full fifty-year surface guarantee. EZ Slate Chalkboards are backed by a twenty-year surface guarantee. Other products, even those considered "disposable," are backed by a ninety-day guarantee.

Ghent Manufacturing Headquarters Lebanon, Ohio

Today is the Age of Information. At Ghent Manufacturing we realize that the ability to share information and convert it into action and achievements is key to your success.

It is our commitment to produce quality presentation products that help bridge the gap between you and your audience. Our entire product line is designed to give you the tools you need to make visual impact. So whether you need a directory in Delaware, a tackboard in Texas or a conference cabinet in California, Ghent has you covered.

With a longstanding reputation as a leader in providing quality visual communication products, Ghent constantly strives to make our support services and products perform better for you. Need quick order turnaround? We can do that! Need a customized message center directory? We can do that! Need one bulletin board shipped direct to your customer, a truckload of easels, or to outfit an entire business from the lobby to the breakroom to the conference room? We can do all that! And, when you need someone on the other end of the phone who can help, we can do that, too. Take a look at Ghent and you'll discover the distinct advantage we deliver before, during and after the sale.

Join the thousands of businesses, schools, hospitals, government agencies, churches, hotels and restaurants who have discovered our commitment to service when they come to Ghent for a full range of visual communication products.

Size	Safety Yellow/Black	Red
14" x 8-1/2" (UPS)	37448	37444

Weather-All Stickable Directors

Get your message across either indoors or outdoors with these self-sticking arrow-shaped signs. Weather-All's large size (20" x 13-1/8") is sure to catch people's attention. Weather-All Director signs are easy to use, just peel off the backing and apply. Removable adhesive provides a sure grip onto flat surfaces without leaving behind messy residue. Weather-All vinyl signs require a permanent marker for best use. Signs can also be professionally printed. Available in Optic Blue, Impact Red, and Safety Yellow/Black colors. Can be used both indoors and outdoors.

Create-A-Sign Stickable Directors

Need a temporary sign that is quick and looks professional? Then, Create-A-Sign Director is for you. Simply write your message using standard markers or for a more finished look use an ink jet or laser printer. These arrow-shaped paper signs stick onto walls, doors, floors, windows, furniture or any flat interior surface. Easy to use, just peel off the backing and apply. Removable adhesive provides a sure grip without leaving behind residue. For indoor usage only. Available in Safety Yellow/Black and Red.

Create-A-Sign Stickable Directors

Indoor/Outdoor Director

Anywhere you need it, the Indoor/Outdoor Director will clearly guide people in the right direction. This all-weather directional sign offers a large arrow-shaped surface (16-1/2" x 23") which provides high visibility. The double-sided sign holder can be utilized using one or both sides to show messages. The black high-density polyethylene stand telescopes from 56" to 76" high. Lightweight for easy moving; add sand or water to base for extra stability. Unit comes complete with two removable Blue pressure-sensitive vinyl signs. Change messages easily by applying a new adhesive-backed replacement sign. The vinyl replacement signs require a permanent marker for best use. Signs can also be professionally printed. Additional replacement signs, 8 signs per pack, are available in Optic Blue, Red, and Safety Yellow/Black colors.

Portable Directors

Point the way to meetings, events or anywhere you need to direct people throughout an unfamiliar area. Capturing people's attention couldn't be easier. Just insert your pre-printed message into Portable Director's see-through pouch, then position the arrow-shaped sign to point the way. Each sign measures 16" x 24" and displays full letter, legal and larger sized paper up to 11" x 17". Portable Director can be mounted on a wall, used with the Director tabletop easel (included) or with the optional Tripod Folding Stand. The Tripod Stand is compact, lightweight and folds open to telescope from 26" to 54" high. Stand features a double-sided hook for one or two-sided Portable Director displays. Constructed of durable vinyl, the Portable Director can be used again and again. For indoor usage. Available in Black or Cobalt Blue.

Ovation Radius Changeable Letterboards

Add life to your message in an eye-catching Ovation Radius Enclosed Letterboard. Constructed for durability, the powder coated aluminum trim along with radius corners create a sleek look that will last beautifully for years. The aluminum framing can be finished in either black, burgundy or gray. Ovation comes with either hinged, shatter-resistant acrylic doors or with two sliding, tempered glass doors. Both door options include locks for added protection. The changeable letter panel features precision grooves for easy letter insertion and comes complete with a set of 3/4" gothic letters, numbers and characters. Choose between two felt letter panel colors: black or burgundy. The stylish good looks of the Ovation Radius Enclosed will capture your audience's attention every time.

Non-illuminated optional name headers are available to help further define your message center. Designed to work with any style of Ovation message center, the name header can also be used alone. The black and burgundy framed units feature black acrylic with white helvetica style lettering. A white acrylic panel with black helvetica lettering is used with the gray framed units. The lettering on the header is sized and centered depending upon requested name.

Headliner Changeable Letterboards

When the need is to stand out from the crowd, enclosed headliner letterboards are for you. Precision-grooved changeable letter back panels are covered with either black felt for indoor models or black vinyl for outdoor units. Lockable hinged doors, with shatter-resistant acrylic, help make these wall mounted units a popular choice for schools, churches, hospitals and fraternal organizations. Headliners include a 6" high white acrylic header panel to clearly identify your organization's name for all to see. Standard lettering on header is done in uppercase Helvetica-style black letters and is sized and centered on the opaque panel depending on requested name. Available with an illuminated or non-lighted acrylic panel. These durable aluminum framed units can be ordered for either indoor or outdoor models. Select from your choice of bronze or satin anodized aluminum. A set of 3/4" letters, numbers and characters is included. Outdoor vinyl tackboards and letterboards should be placed under shelter.

Illuminated headers require electrical installation by a licensed Electrician. Consult your local electrical code to determine the correct method of installation. The lamps have been mounted in the unit, but have not been wired. Illuminated units feature U.L. Listed fluorescent fixture, bulb, and a (110 wiring) three wire electrical lead.

Ovation Radius Fabric Tackboards

Display it in style inside an Ovation Radius Enclosed Fabric Tackboard. With its flowing design, attractive powder coated aluminum trim and radius corners, Ovation will complement any decor. The aluminum framing can be finished in either black, burgundy or gray. Ovation comes with either hinged, shatter-resistant acrylic doors or with two sliding, tempered safety glass doors. Both door options include locks for added protection. The tackable fabric surface is colorfast and will remain free from damage even after years of repeated posting. Choose between three decorative fabric colors: gray, black or mauve. Ovation Radius Enclosed has been designed to satisfy both form and function to provide a complete package that displays your good taste.

Non-illuminated optional name headers are available to help further define your posted communications. Designed to work with any style of Ovation message center, the name header can also be used alone. The black and burgundy framed units feature black acrylic with white helvetica style lettering. A white acrylic panel with black helvetica lettering is used with the gray framed units. The lettering on the header is sized and centered depending upon requested name.

Headliner Bulletin Boards

The deluxe enclosed headliner bulletin boards are anything but an ordinary message center. Tackable back panels are constructed of self-healing natural cork for indoor units and a sealed-back natural colored vinyl for outdoor applications. Complete with lockable hinged doors and shatter-resistant acrylic, Headliners are available in either bronze or satin anodized aluminum. Headliners include a 6" high white acrylic header panel to clearly identify your organization's name for all to see. Standard lettering on header is done in uppercase, Helvetica-style black letters and is sized and centered on the opaque panel depending on requested name. Available with an illuminated or non-lighted acrylic header panel. These durable aluminum framed units can be ordered for either indoor or outdoor models. Outdoor models should be positioned under a shelter.

Illuminated headers require electrical installation by a licensed Electrician. Consult your local electrical code to determine the correct method of installation. The lamps have been mounted in the unit, but have not been wired. Illuminated units feature U.L. Listed fluorescent fixture, bulb, and a (110 wiring) three wire electrical lead.

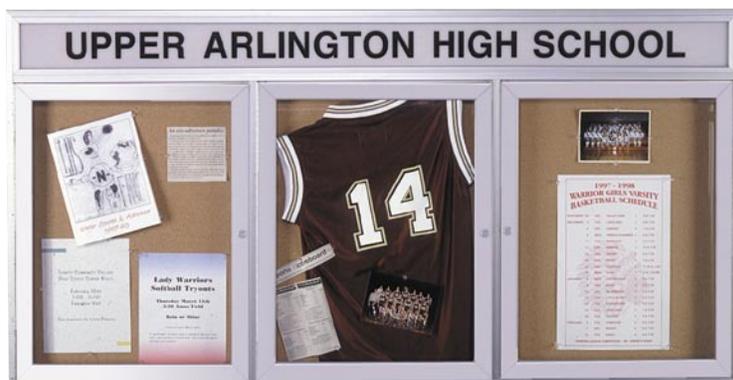

Interior case depth is 7/8" for all units. Overall unit depth measures 2-1/4" deep.

The Cornerstone

When your business is booming, when your school is expanding, when you simply have more to say, build on a Cornerstone - the only modular message center.

Ghent's Cornerstone Modular Message Center is an attractive, wood-framed enclosed message center with an innovative difference: an interconnecting design so it can grow with you. A Cornerstone unit looks great on its own, yet adding to it is simple. Using Ghent's easy attachment kit, you can create your own two-door unit, three-door unit or whatever size you need (attachment kit included).

The Cornerstone features oak framing and a shatter-resistant acrylic window enclosing either a self-healing natural cork surface or a black changeable letter panel. Special hinges allow the door to open flush with the wall. Each unit comes equipped with a keyed lock for additional security. You can mount the units to open from either the left or right side for the ultimate in flexibility. Ordering Cornerstone is just as easy. Its standard 36" high x 24" wide size means it can be shipped to you via UPS.

Interior case depth is 1-5/16" for both letterboard and corkboard units. Overall unit depth measures 2-3/16" deep.

VERONA MARKERBOARDS

Framed in your choice of Aluminum, Oak or brown Vinyl Trend style

Verona Markerboards

Ghent's Verona Melamine markerboards provide excellent writing and erasing qualities at a price that will amaze you. Non-magnetic Verona markerboards will provide years of reliable performance using dry-erase markers with the proper care. Verona markerboards are an economical alternative to Centurion porcelain-on-steel boards, yet durable enough to carry a full ten-year guarantee.

M2 and M2W series come complete with a full length marker tray.

• Ten-year guarantee

CENTURION MAGNETIC MARKERBOARDS

Centurion Markerboards

Unsurpassed in performance and durability, Centurion porcelain-on-steel markerboards are the finest markerboards in the world. Specifically designed for everyday use. Centurion's porcelain-on-steel surface is the hardest marker surface available and will resist scratching, denting or staining. Due to its steel substrate, Centurion markerboards accept magnetic accessories. Built to last, Centurion markerboards, with their fifty-year guarantee, are the best value when measured over their years of dependable service. Comes complete with a full length marker tray.

- Best Markerboard Available
- Fifty-year guarantee

PHANTOM LINE MARKERBOARDS

Phantom Line Markerboards

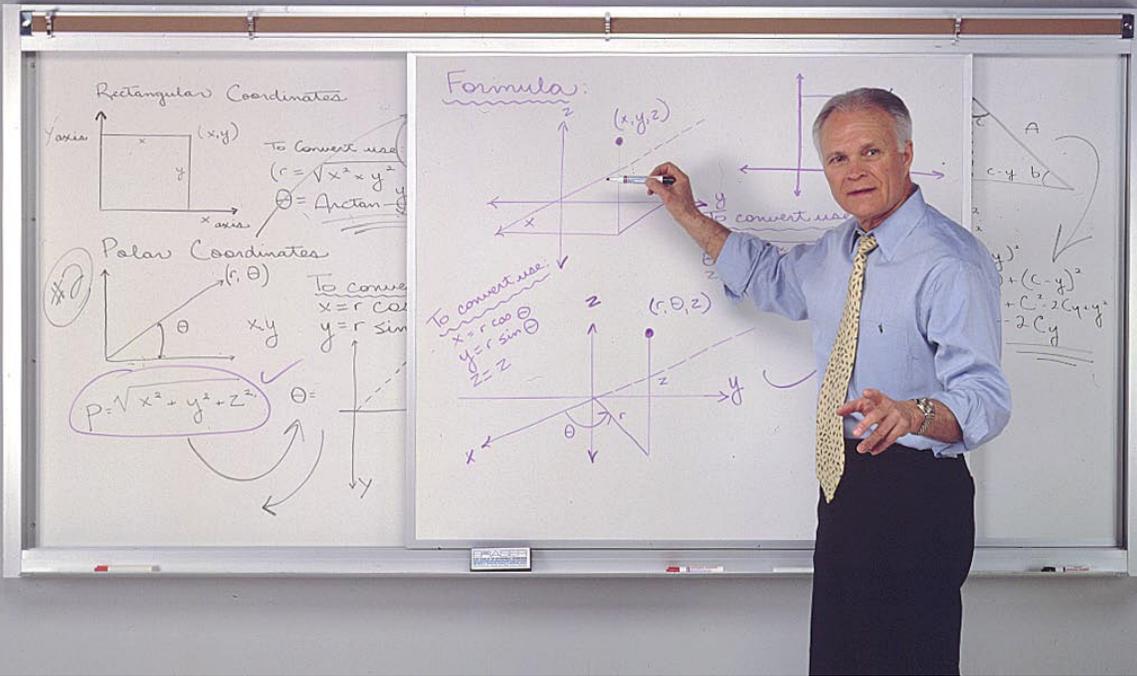

We all could use a little help without everyone else knowing. Phantom Line Markerboards from Ghent offer a 2" x 2" grid pattern with a unique twist. The light blue lines are only visible to those standing beside the board. The lines are there to help the user, but are unseen by the audience. Perfect for drawing graphs, charts, or as penmanship guide lines. The grid lines themselves are ingrained beneath the non-magnetic laminate surface for years of dependable service, free from wear. Phantom Line Markerboards are backed by a full twenty-year guarantee.

DUO TRACK MARKERBOARD SLIDING PANEL SYSTEM

The Duo Track

Ghent's Duo Track horizontal sliding panel system provides multiple dry-erase markerboard panels to serve a multitude of needs. This two-track, manually operated unit doubles the amount of usable space with its fixed back panel and sliding panels. DuoTrack uses a Centurion porcelain-on-steel markerboard surface to create a durable, high-performance board that also accepts magnets and magnetized accessories. Top-suspended panels glide on nylon rollers for smooth operation. Duo Track is constructed of heavy-duty anodized aluminum trim and includes a 2" Endura cork maprail.

DecoAurora Markerboards

DecoAurora from Ghent is offered in an array of twelve different inserts for you to choose whichever best suits your taste (9 vibrant colors and 3 wood grain choices). The four multi-faceted corner connectors, aluminum framing, and color insert strips gracefully come together for a highly complementary look. The 3/4" wide thermoplastic PVC inserts not only add a splash of color, but also serve to conceal the wall mounting hardware leaving no exposed fasteners. Deco Aurora is available with either a magnetic dry erase marker or a tackable vinyl surface. Markerboards feature protective end caps on the accessory tray and come with markers and an eraser. DecoAurora's attractive design puts the VISUAL in visual communication boards.

MARKERBOARD & CHALKBOARD ACCESSORIES

Sparkleen Markerboard Cleaner

Ghent's Sparkleen is specially formulated to cut through built-up residue faster and easier than any other markerboard cleaner on the market. The non-flammable Sparkleen conditions the markerboard surface as it cleans and removes hidden ink particles from the surface, helping to restore the board to like-new condition. Sparkleen Markerboard Cleaner's formula is so effective it even removes most permanent inks!

Dry Erase Markers

Ghent markers write easily and wipe off cleanly. Vivid colors combined with a wide chisel point leave an easy-to-read ink mark for effective communication. Available in four colors: Black, Blue, Red or Green.

Glued Felt Erasers

Ghent's industrial-glued erasers are manufactured with a series of five dense strips that trap and absorb chalk dust and erasable marker ink. Features dark gray felt strips. An excellent value for when budgets are tight. 5" x 2" x 1".

TITAN MAGNETIC CHALKBOARDS

Titan Chalkboards

Titan porcelain-on-steel chalkboards are the perfect choice for conditions requiring a board that will stand up to everyday usage. With porcelain-on-steel construction, Titan chalkboards are superior to others when comparing performance, durability and damage resistance. Titan chalkboards are guaranteed for fifty-years of dependable service and are ideal for rugged classroom environments. Their porcelain-on-steel surface holds magnets and magnetic accessories, letting them double as magnetic bulletin boards. Titan chalkboards are available in green or black and do not require "chalking in" before use. Ghent's Titan porcelain-on-steel chalkboards are the best long-term value when compared to lesser quality chalkboards. Comes complete with a full length chalk tray.

PDQ Quick Application Porcelain Sheets

PDQ Quick Application porcelain sheets are a cost-effective way to add a writing surface or to rejuvenate existing chalkboards and markerboards. The 28 gauge porcelain-on-steel sheets can be applied directly to a wall or onto the face of worn boards. With its innovative handling and installation method, PDQ magnetic sheets are simple to apply and use.

Ghent's PDQ sheets come with a special installation tool that safely protects the exposed metal edges while making resurfacing fast and easy. The rigid tool also helps prevent surface damage caused by creasing the steel sheet. PDQ resurfacing sheets are individually packed for safe transit and easy on-site handling. The unique packaging design totally eliminates the need for expensive, heavy wood crates.

Thanks to its steel substrate, PDQ sheets also accept magnets and magnetic accessories to double as magnetic bulletin boards. Available in Green or Black chalk surface and White marker surface.

CORK BULLETIN BOARDS

Natural Cork

Ghent's natural cork bulletin boards are a traditional favorite, thanks in part to their ability to withstand wear and tear of repeated tacking. Push pins, staples or tacks can be easily inserted and hold firmly. The fine-grain 1/32" cork surface is laminated to a sealed-back fiberboard to create a cost-effective, long-lasting bulletin board. Ghent's natural cork surface is self-healing and will maintain its smooth, attractive appearance for years. Ghent's natural cork bulletin boards carry a ten-year guarantee.

• Ten-year guarantee

PREMIUM NATURAL CORK BOARDS

Premium Natural Cork

Extra-thick natural cork surfaces make Ghent's premium natural cork bulletin boards the quality choice. Its fine-grain appearance creates a traditional look. The smooth, resilient tack surface remains soft and pliable for years. Puncture marks heal quickly and the holding qualities of the 1/8" premium natural cork will not be affected. Premium natural cork bulletin boards feature a heavy-duty, deluxe framing and are backed by a ten-year guarantee.

GEMINI™ GRANITE TACKBOARDS

Gemini Granite Tackboards

Add an elegant touch to your area with a Gemini™ Tackboard. Its contemporary faux-granite look, radius corners, and black vinyl framing combine to create a stylish, sleek appearance. Gemini™ Granite's textured, painted tack surface masks pin holes created by repeated tacking. Factory-supplied hangers have been designed so that the board may be hung horizontally or vertically. Ghent's Gemini™ bulletin boards hold push pins, staples and tacks firmly and are durable enough to carry a ten-year guarantee. Gemini Tackboards put the fun into being taken for granite.

DecoAurora Vinyl Tackboards

Your World, Your Color. DecoAurora vinyl tackboards come in an array of twelve different inserts for you to choose whichever best suits your taste (9 vibrant colors and 3 wood grain choices). The tack surface is also cleanable with a damp cloth and the texture masks pin holes for years of dependable usage. The four multi-faceted corner connectors, aluminum framing, and color insert strips gracefully come together for a highly complementary look. The 3/4" wide thermoplastic PVC inserts not only add a splash of color, but also serve to conceal the wall mounting hardware leaving no exposed fasteners. Deco Aurora is available with either a tackable vinyl or a magnetic dry erase marker surface.

Proma Projection Markerboard

Porcelain markerboards just got a lot more valuable to your school or business. Proma® boards have a special white textured surface that reduces projection glare by 70% compared to a standard markerboard. This makes it the most practical board to use for presentations, slideshows, or educational purposes. Features include an aluminum framed magnetic surface that functions as a projection board, dry-erase board and as a durable surface for displaying visual aids. Each board comes complete with a 1" natural cork maprail, four color markers and an eraser. Board surface carries a 50 year manufacturer surface guarantee.

• *Fifty-year guarantee*

Markerboard Planners

Ghent's economy markerboard planners are a great way to effectively keep track of your valuable time. The wall-mounted scheduling boards are offered in a roomy 2' x 3' size and are available in three different formats: One Month, Four Month, or Annual. The durable non-magnetic surface is dry erasable and features silkscreened graphics that are applied in two colors for greater visibility. Ghent's economy planners are complete with a black marker, eraser and hanging hardware.

Foxfire II Markerboards & Markers

Foxfire II Markerboards give you the "WOW" of a neon sign without plugs or electricity. The combination of the glossy black markerboard surface and special fluorescent ink markers create luminescent messages and designs that will stop them in their tracks. The vivid fluorescent markers wash off easily with a damp cloth. Foxfire II markers come in six brilliant assorted colors: sunshine yellow, electric blue, polar white, lime green, flaming orange and hot pink.

Dual Purpose Combination Boards

Write it down or tack it up on a two-in-one combination board. These handy memo boards are available in solid hardwood or anodized aluminum framing. Writing half features an erasable Verona markerboard. The Bulletin board half features a natural cork surface. Features a full-length marker tray and mounting hangers.

Triumph Display Easel

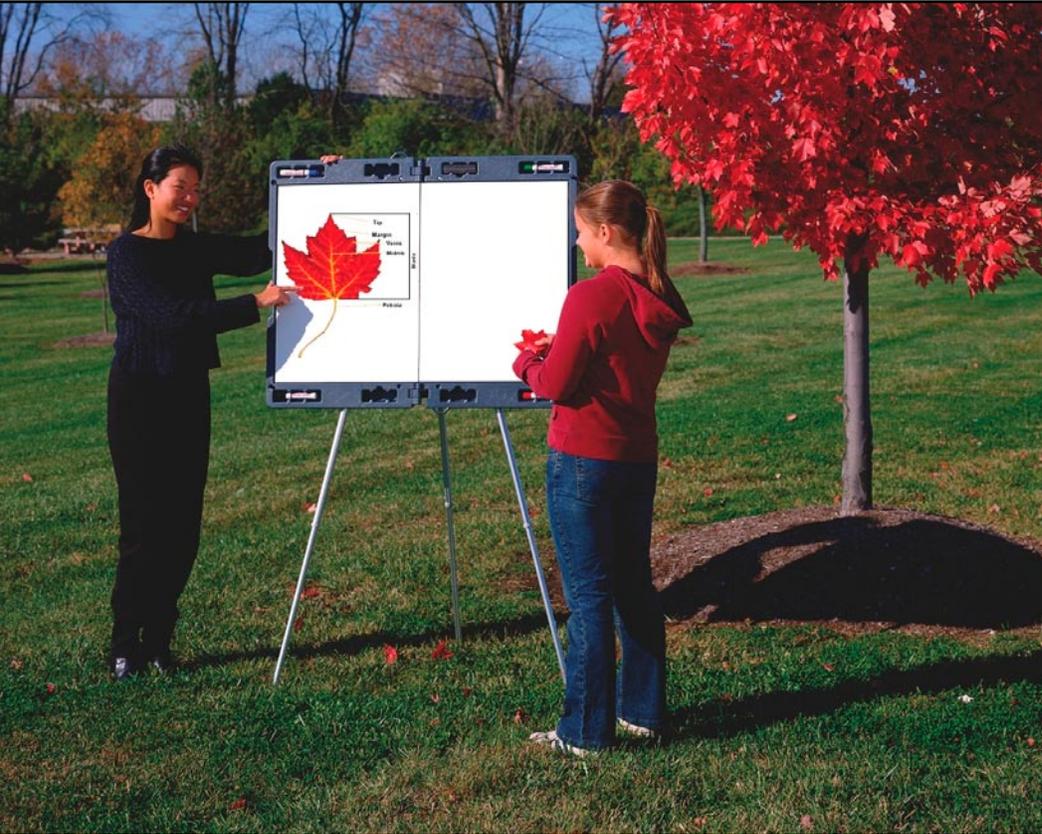

Ghent's Triumph display easel is a new idea in presentation products that delivers dependable usage at a price that will amaze you. With the Triumph's patented design, there are no twisting knobs and cumbersome hardware. It's ready to go right out of the box! Ideal for displaying presentations, artwork, posters and small boards. The inverted leg design adds strength and stability, and extends from a compact 37" up to 62". Lightweight and portable, the Triumph features retractable legs, permanently-positioned board holders, and non-marring feet. Triumph is constructed from durable ABS resin, holding up to 8 times its own weight, a maximum of 25 pounds.

Hold-Up Display Rails

The Hold-Up display rail is a creative and safe solution to displaying memos, reminders, artwork - just about anything that needs to be communicated. Best of all, because of Hold-Up's patented design, there is no risk of tearing or damaging what is displayed. With Hold-Up display rails, there is no need for tape, tacks or push pins. The clear, see-through front lets the entire paper show through.

The Hold-Up's unique design also allows you the flexibility to post thick and thin items side by side. The display rail can be attached to the top of a board or mounted separately. With its streamline design, the Hold-Up will blend in with any wall or surface. Hold-Up display rails are versatile enough to be used in a school hallway, on your refrigerator or on your office filing cabinet.

• Perfect for schools, hospitals, restaurants, offices and the home

• Grips both thick and thin items side by side

• Displays without damaging

TrapEase Display Rails

TrapEase display rails securely hold your memos, posters or paperwork firmly in place. Yet papers can be released quickly and easily without damaging them. TrapEase's internal roller system safely traps your paper, completely eliminating the need for thumb tacks, tape, or push pins. The sleek, wall-mounted exhibit rail blends in with any decor. Features satin aluminum housing with a contemporary radiused profile. Comes complete with wall mounting brackets.
