## Room Divider Options

**Panellocks™**  
A twist of the Panellock™ knob locks the panels at any angle for long term use. Replaces standard Position Controllers.

**Dry Erase Panels**  
Any number of panels can be covered with dry erase material in place of fabric or vinyl.

**Markerboard**  
36" x 42" Melamine surface dry erase marker board. Adjustable strap hangers for hanging on Room Dividers.

**MultiUnit Connectors**  
Set of chrome plated sash latches installed on the end frames of a FREEstanding Room Divider to create Room Dividers of any length.

**Door**  
2' wide self closing door, available in 6 heights, mounts to the end frame of your Freestanding Room Divider.

**Window**  
10" x 10" clear plexi-glass window with black metal frame, centered in any panel or door and mounted 66" above the floor.
